REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR 1.322

Commissioner for Patents:

Upon review of the above-referenced Letters Patent, error(s) were noted that were the mistake of the U.S. Patent and Trademark Office.

Please correct the following:

That portion of column 10, line 30 which reads “if the user is not authenticated” should read -- if the user is not authenticated, --

The correct language from issued claim 9 above can be found in claim 15 of the amendment filed on February 8, 2010. However, the above error appears to have been introduced by the U.S. Patent Office in the issued patent.

Since the errors are that of the U.S. Patent and Trademark Office, it is believed that no fee is required for these corrections. It is respectfully requested that a Certificate of Correction be issued.

Respectfully submitted,
Schwabe, Williamson & Wyatt, P.C.
